

WHAT?

B.Line is a Youth Exchange of Legambiente Ligonchio in the frame of Erasmus+ programme. This project will involve 35 youngsters between 18 – 25 years old from 5 different countries, living in disadvantaged areas. During the project, the participants will discuss about active citizenship and social inclusion through art. Thanks to the staff of Ligonchio's Legambiente we are going to explore the Tosco-Emiliano national park (we will organize a short trekking and 2 nights in a tent) and we will be part of an artistic action on an ancient building in the middle of the forest with the local community of Ligonchio.

AIMS

- To stimulate the young initiative;
- To share experiences and ideas about active participation;
- To empower youngster to be part of their local community;
- To encourage the using of art as a tool for social inclusion;
- To facilitate the intercultural learning;
